Tamarack

1973
Vol. LXIV, No. 52
North Central High School
Spokane, Washington

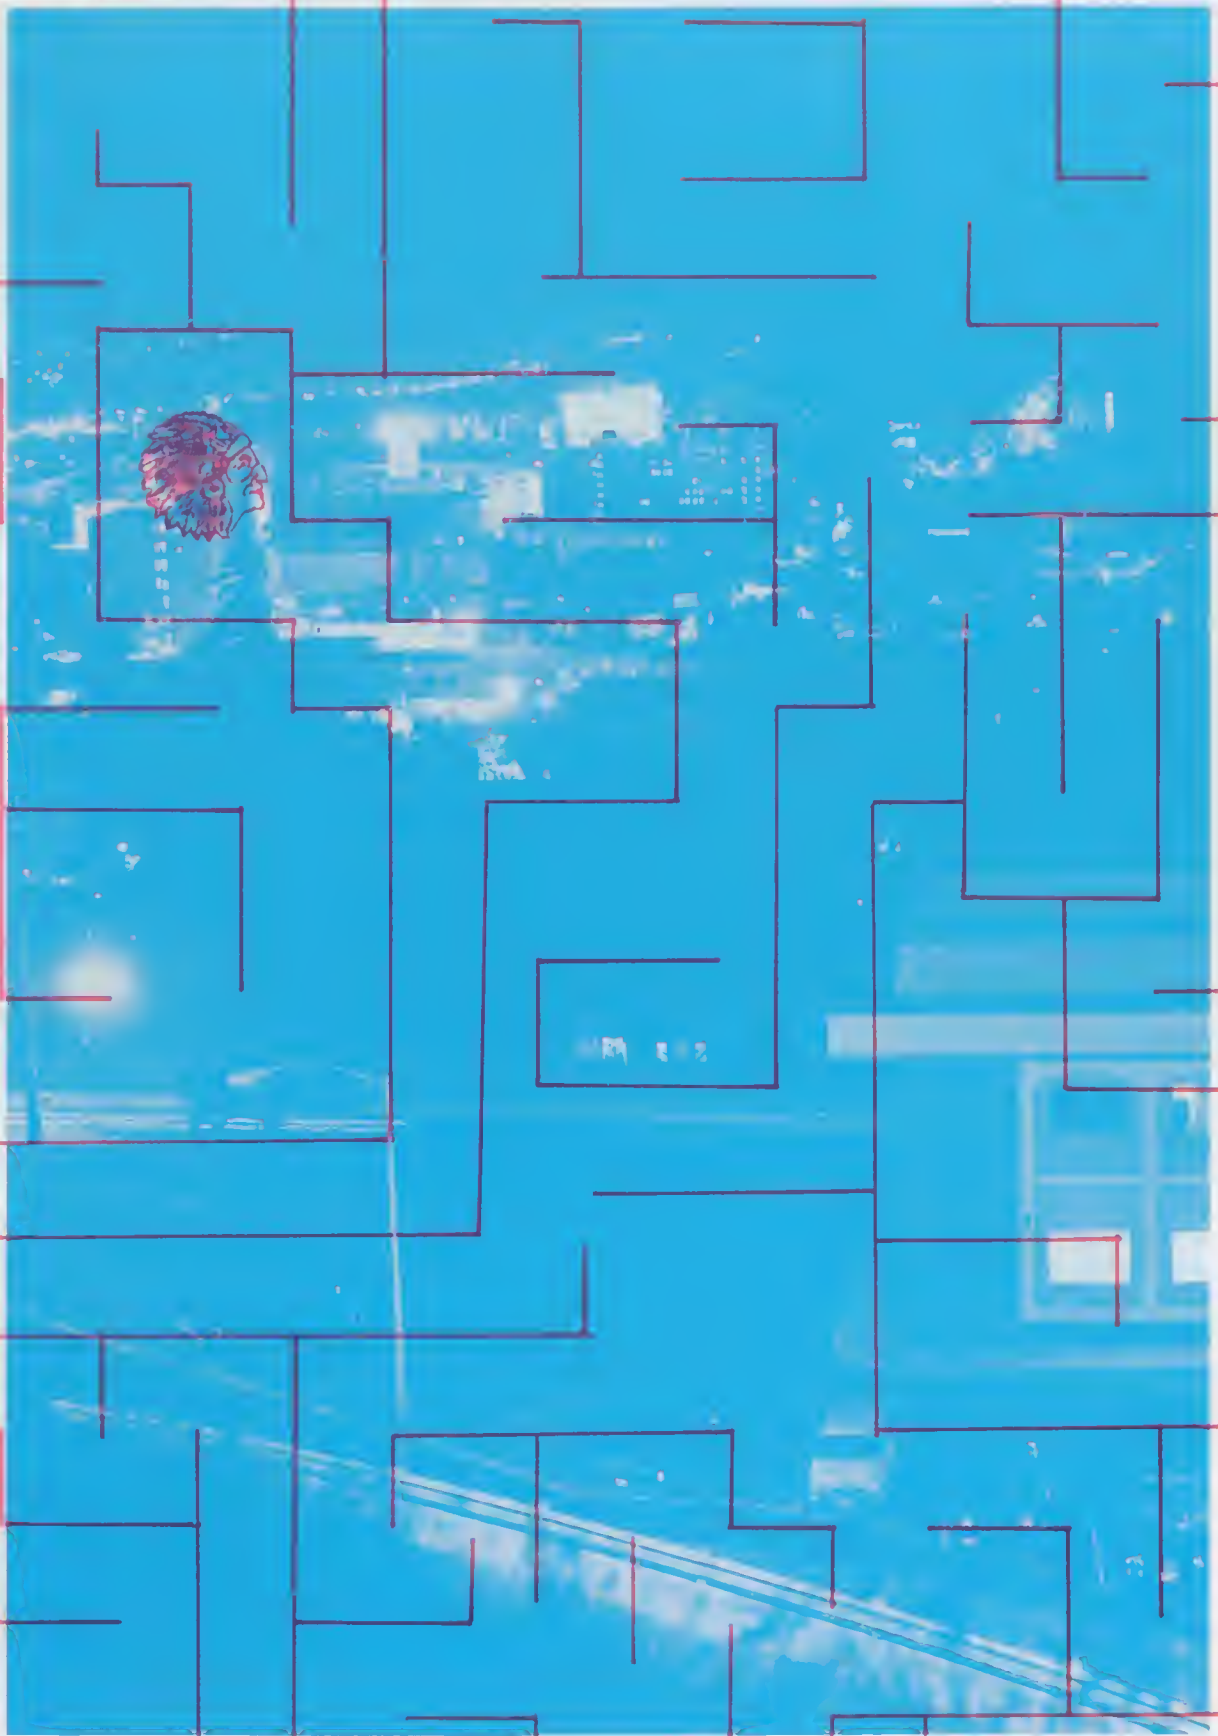

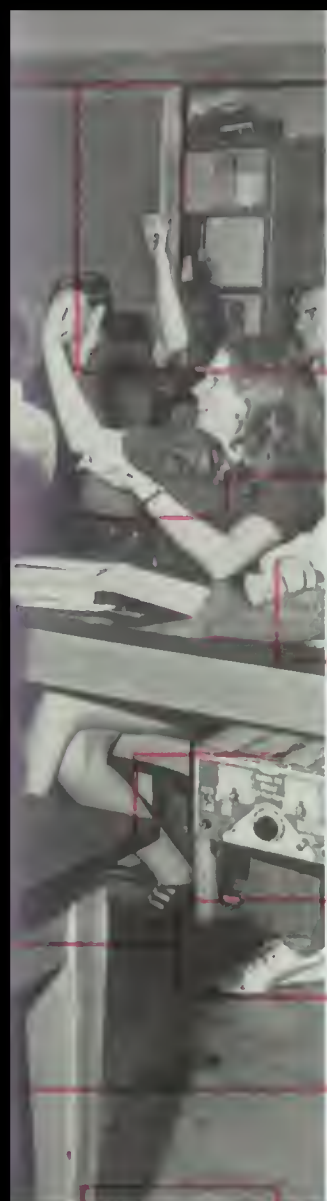

Where in the world will we find ourselves?
Our identity? Our time and place?

We are living in a labyrinth of questions, problems, and confusions

We seem to be surrounded by misunderstandings and conflicts. We have decisions to make and challenges to overcome.

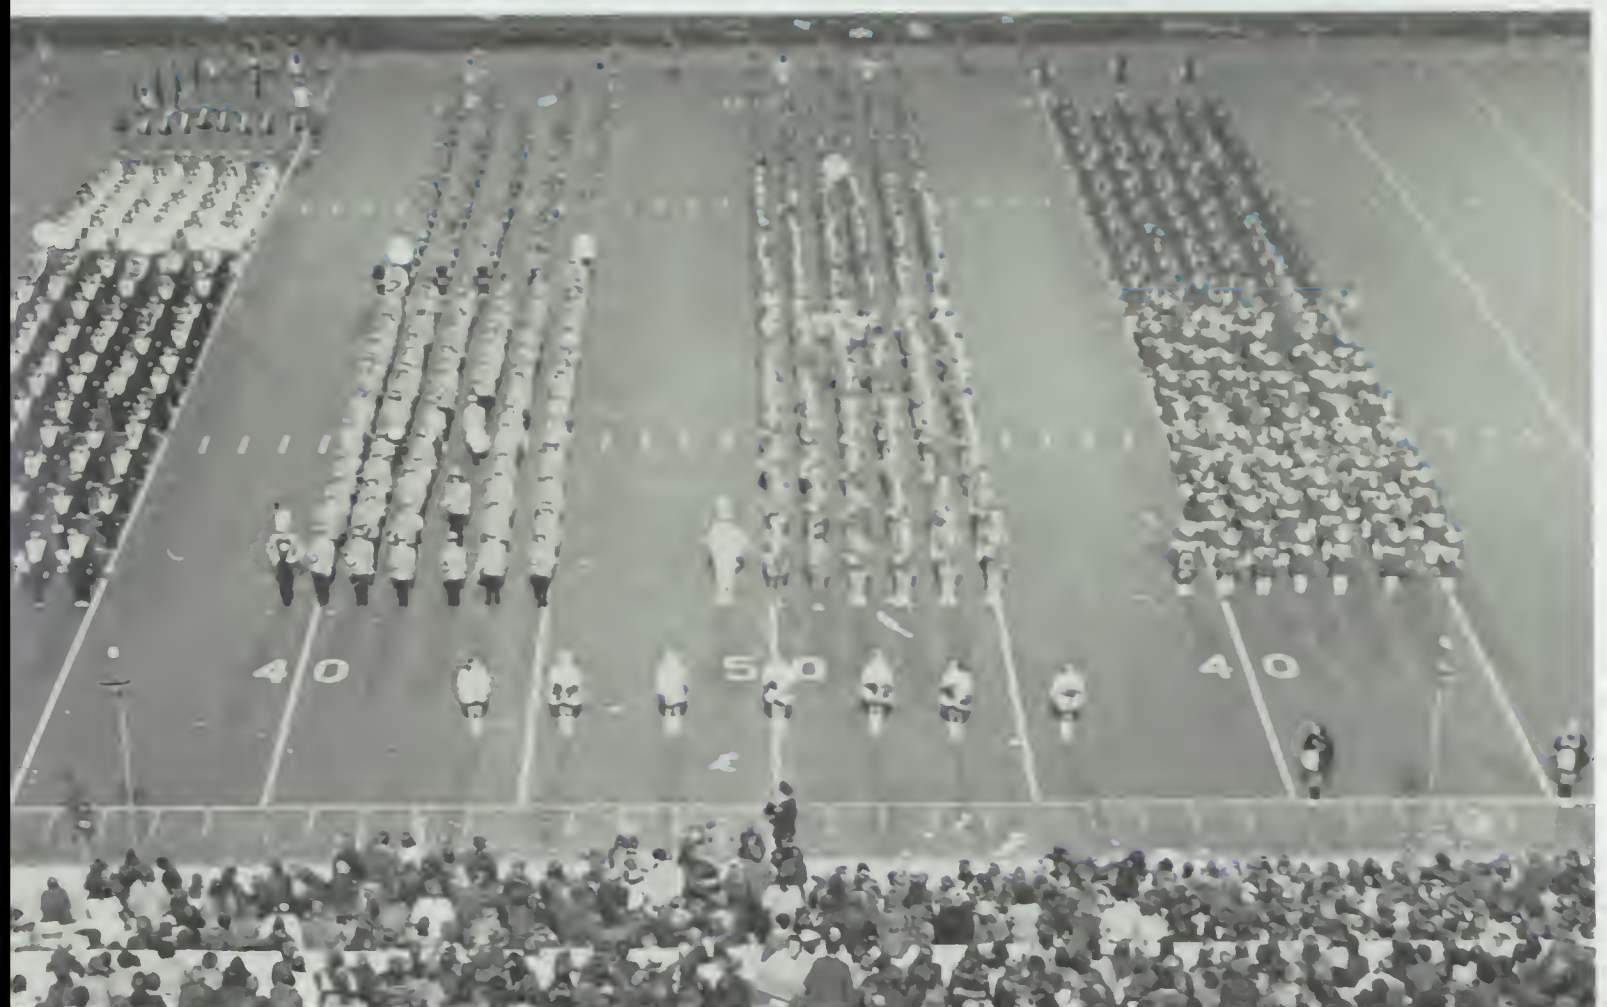

How will we find
our way, reach
our goals?

The quest is
difficult but we
have been given
the tools to achieve
the rewards.

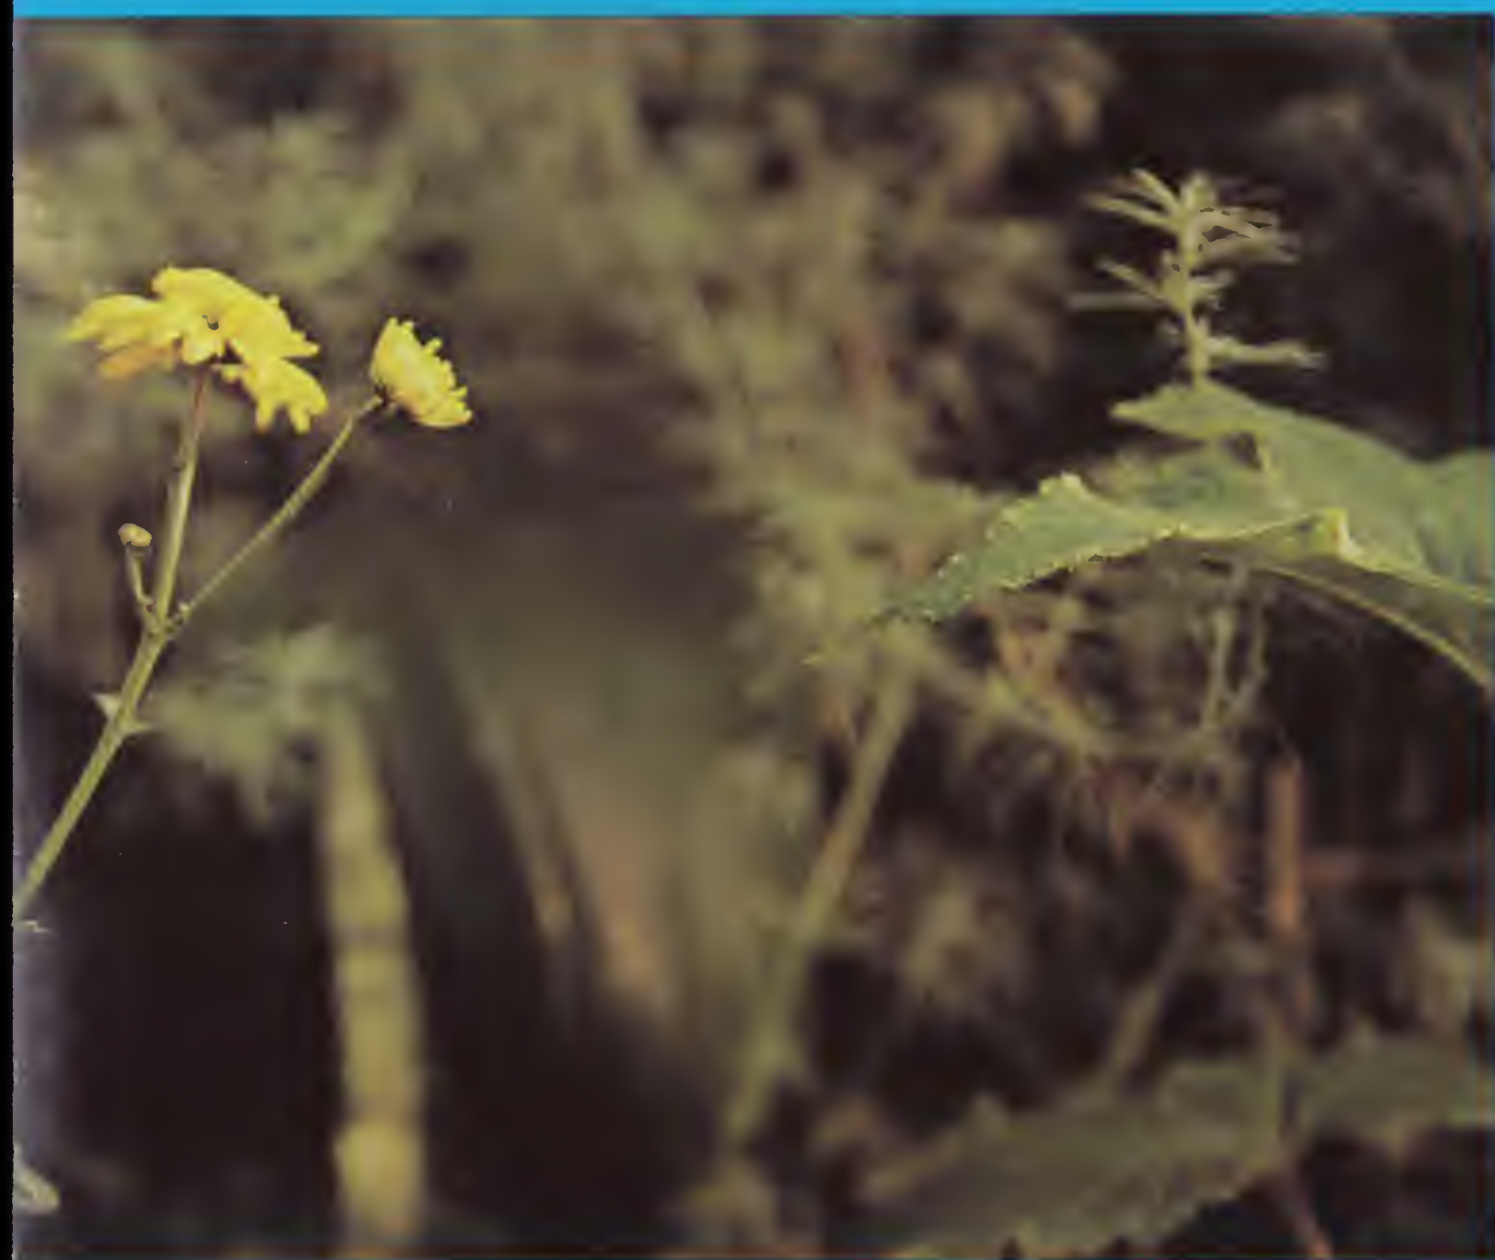

To each individual is given
a special moment of time--called life.

A gift of joy!

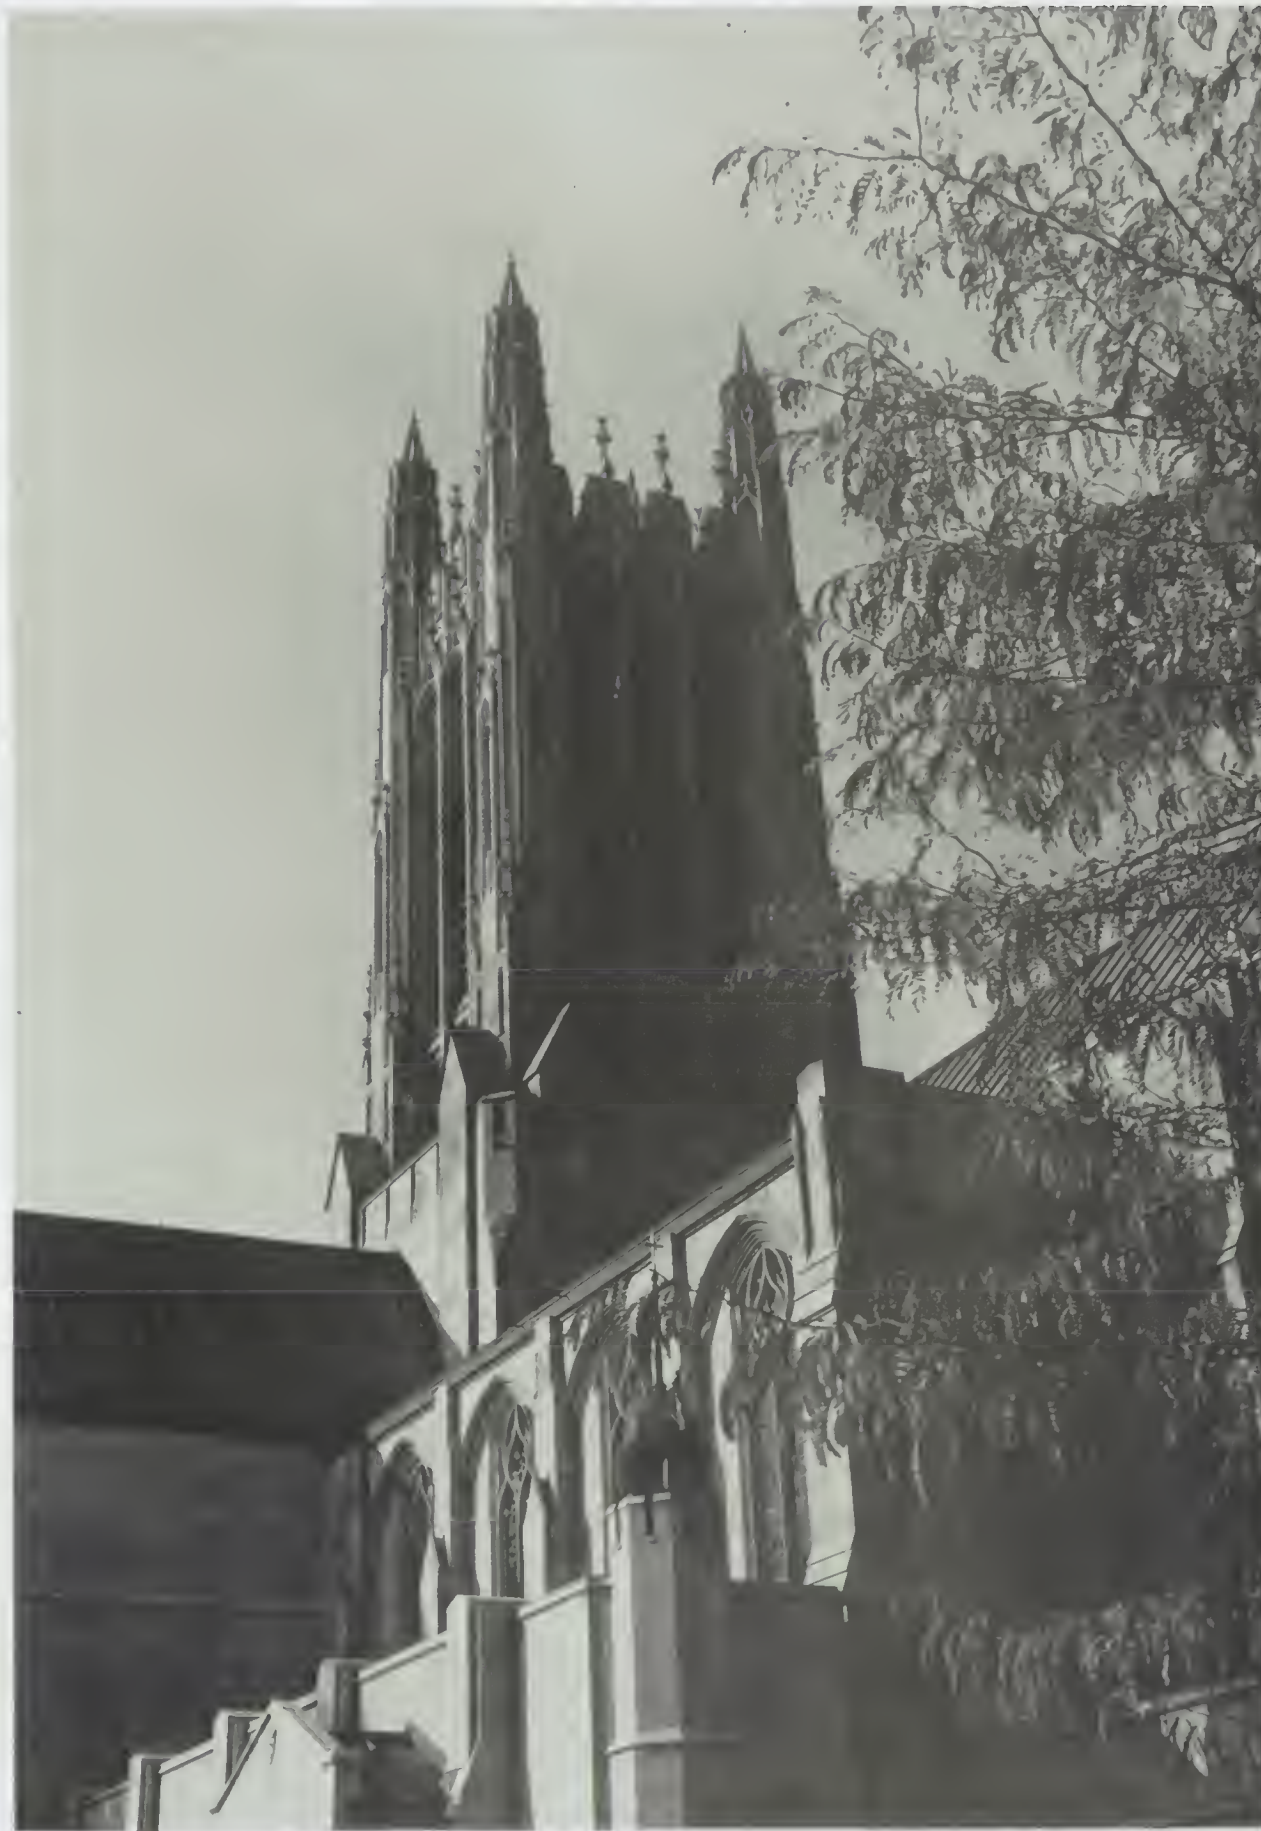

We are given ability to create,
curiosity to find wisdom,

insight to find truth

feelings to communicate.

SCOPE

Julie Kendall makes signs for the Sinto Senior Citizen Center advertising future activities.

Al Blum works on another car at the Chase and Dalbert Body Shop.

The SCOPE program believes in experience as the teacher-in the classroom as well as in the community. SCOPE has been working in the Sinto Senior Citizen Center performing such tasks as serving food, cleaning up the basement as well as helping to remodel it, and making signs to advertise the future activities of the Center. Other programs that SCOPE has been working with are the March of Dimes, Alcoholics Anonymous, Blind Students, YWCA swimming, and Day Care.

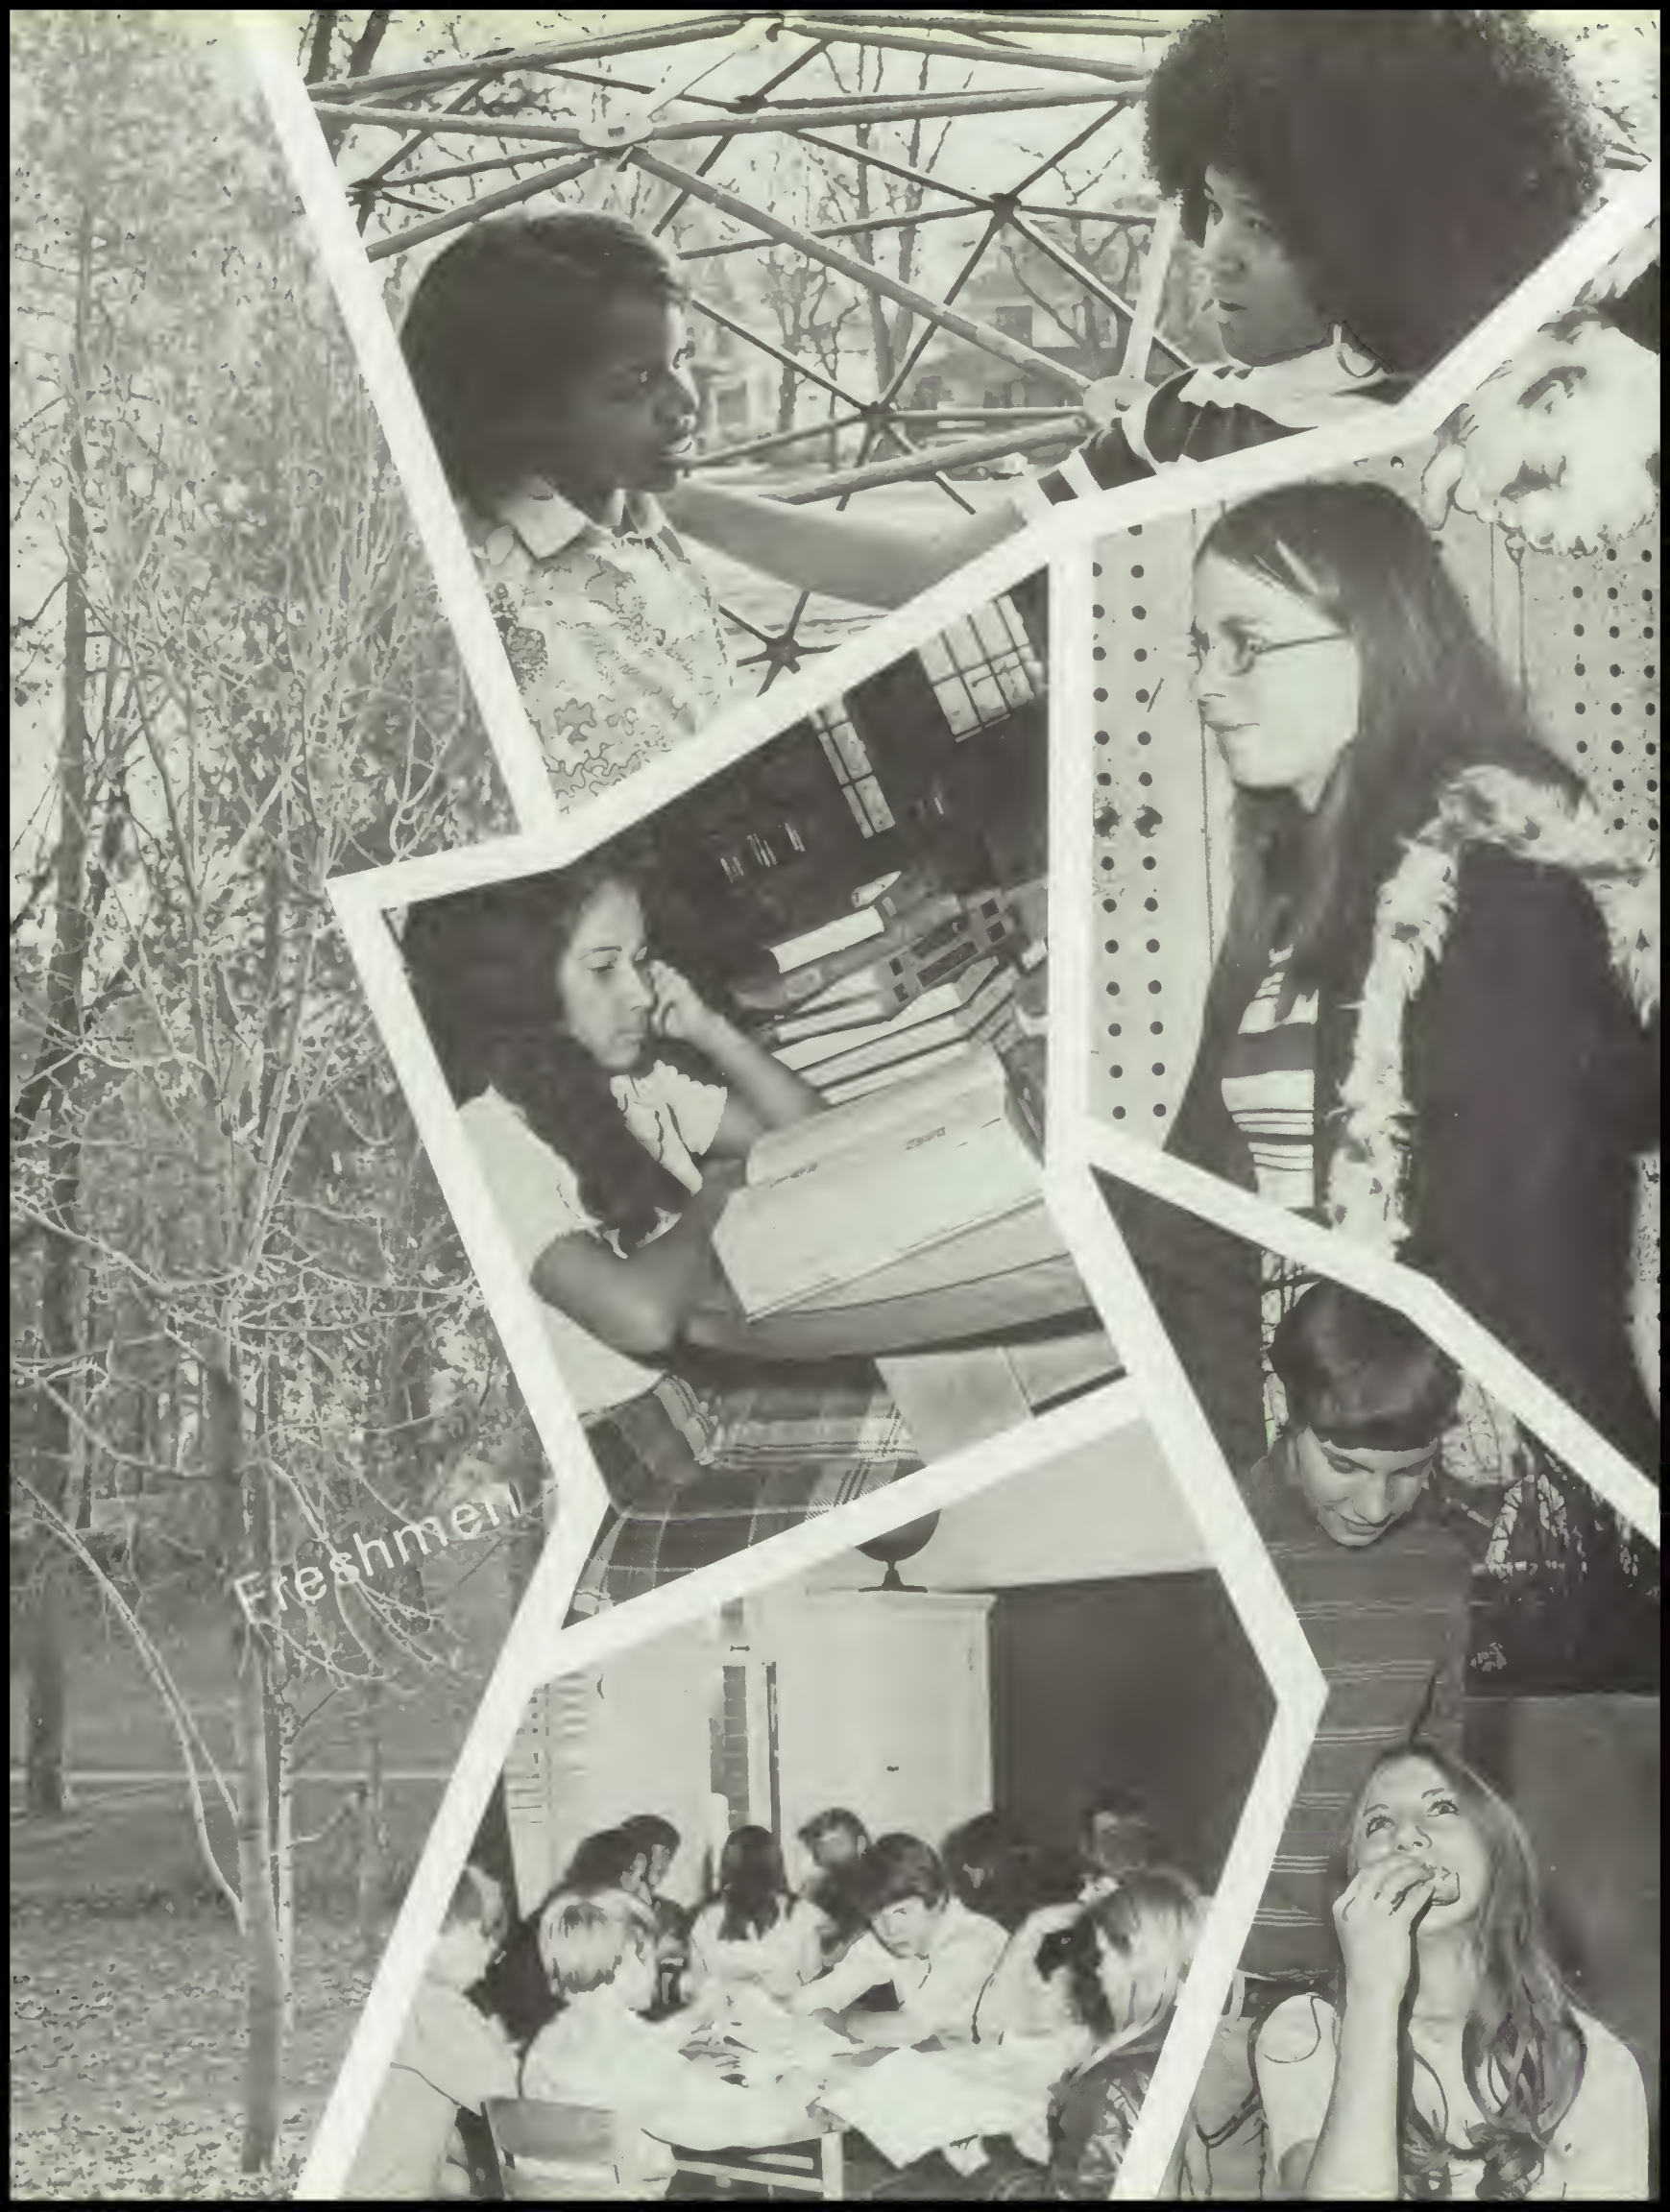

Dan Wilson and Julie Kremer help serve food at the Sinto Senior Citizen Center.

The SCOPE sociology class made a rat maze in which to study how fast the rat will be able to learn how to go through it. They feel that even though an animal's brain differs from a human's brain, they both learn on the same basis. It took a lot of time and lettuce to persuade the rat to go through, but after he once learned the route it only took him 45 seconds to go through the maze. Viewing the experiment are Chris Wandler, Keith Watson, and Mike Peone.

Freshmen show their school pride by singing Red and Black.

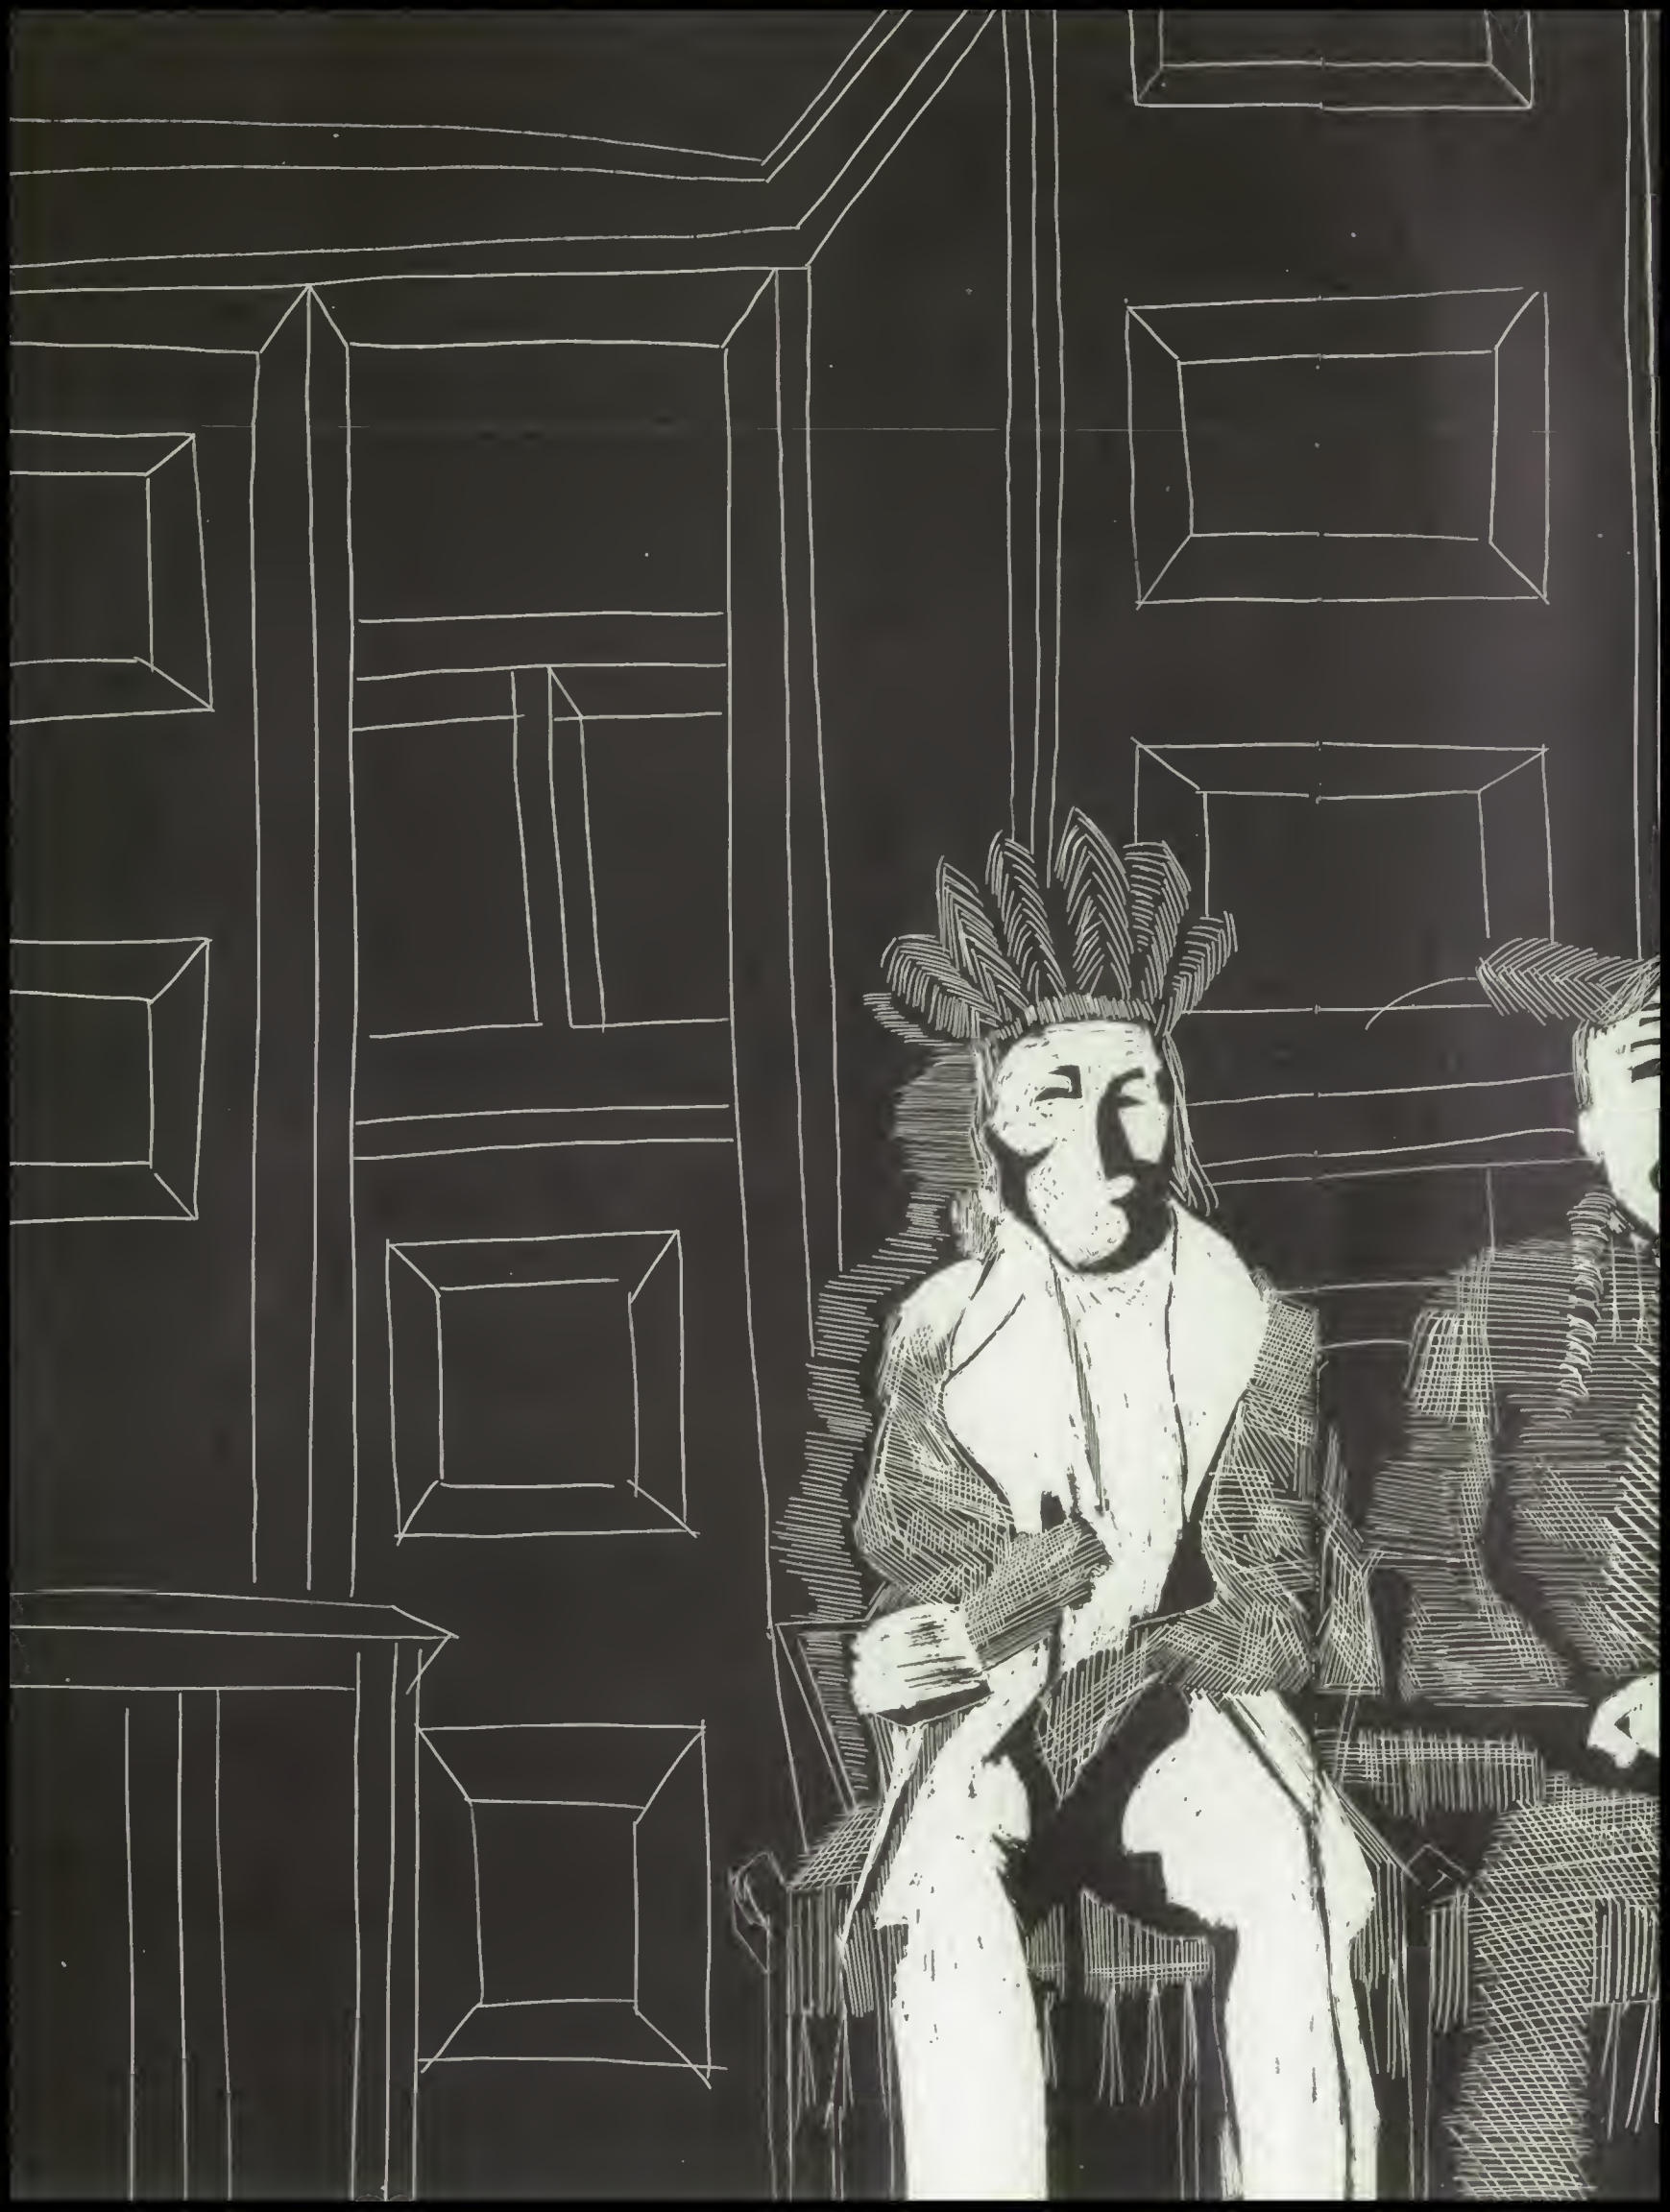

Education has come a long way since the days of reading, writing and arithmetic. The approach and styles of learning have taken a large step forward.

Methods and techniques have changed, but the best of the traditions have been kept, and from these innovations education now encompasses a vast variety of interesting and relevant subjects.

What kind of life do you desire? What do you consider success to be?
What priorities have you set? The following words have meant much to
me in my life. I hope that they will in yours.

Four things a man must learn to do
If he would make his record true.
To think without confusion clearly:
To love his fellow men sincerely:
To act from honest motives purely:
To trust in God and Heaven securely.

God hath not promised
Skies always blue,
Flower-strewn pathways
All our lives through;
God hath not promised
Sun without rain,
Joy without sorrow,
Peace without pain.

But God hath promised
Strength for the day,
Rest for the labor,
Light for the way,
Grace for the trials,
Help from above,
Unfailing sympathy,
Undying love.

Spirit And Enthusiasm Goal Of Red Feathers

The Fall Red Feather Officers are: Marilyn Strong, Elaine Besecker, Chris Keel, Jody Becker, Cindy Sterritt and Donae Wald.

With the return of athletics came the Red Feathers and the election of new officers. This year the office of Co-chairman was added to act as another advisor for the chairmen and Mrs. Sander. The number of Red Feathers was cut down this year because of the levy failure but the enthusiasm and leadership was still there. Each season brought new projects and several challenges. The majority of the fall was used to practice for halftime shows, with a break in October to celebrate halloween. As their Christmas project the Red Feathers along with Mrs. Sander went to sing to the shut-ins at St. Joseph's Old Folks Home and the Grotto.

Besides being advisor for Red Feathers, Mrs. Sander enjoys teaching physical education.

Red Feather Spring Officers are: Cindy Farris, Brenda Broadbent, Chris Keel, Kathy Martin, Margie Mickelson and Terry Tyree.

Outstanding Fall Officers Provide Active A.S.B.

With A.S.B. president Chris Anderson heading the activities, the A.S.B. got off to an unusually quick start. Kicking off the year was a free concert by "Blind Willie" during 5th and 6th for A.S.B. card holders. Throughout the year numerous special events were planned. The A.S.B. sponsored a bike rally on a rainy September which was attended by a few hardy riders. To maintain interest in the levy issue, a pep rally was held during both lunches. Charlie Brown, KJRB disc jockey and members of the school board were present as guests. Winter Carnival was packed full of events topped off by a fund raising drive for Senior Gary Schilling, a car accident victim and Junior Gary Ashley, who has been suffering from a serious illness.

Fall A.S.B. Officers are: Sue Sibulsky, Secretary; Chris Anderson, President; Dennis Day, Vice President; Debbie Lande, Treasurer; and Steve Boswell, Fifth Executive.

"Even Better"- A.S.B. Goal Of Spring Officers

The Spring officers started the new semester with the aim of having an "even better" A.S.B. than the very successful fall semester. Their first event was ski night. A bus to Snowblaze was rented and a discount was acquired for lift tickets. Those who went had a very good, though cold, time. Coming up in March was the vote on the levy, and A.S.B. did all it could to show its support. "Heavy" on the Levy", a benefit dance with all proceeds going to the levy fund was held March 2, and March 6 was the date of "Showtime," a program performed for adults from voting districts in the N.C. area. The program, which included the Stage Band and Tee-Pee Lighters was designed to show the voters that N.C. students are really involved in their school and that they care a lot about the quality of education they receive. Also in March were "Co-Rec" nights. Both gyms were opened to the students and such sports as basketball, volleyball, swimming, and weightlifting were available. A special showing of the movie "Little Big Man" was shown to A.S.B. card holders, and a spring mixer for the whole student body was held April 27.

Hard-Working Committees Keep A.S.B. Operating

New committees were formed in the A.S.B. this year. Communications committee sends its members to homerooms to keep students informed on A.S.B. activities. Elections committee made available information on candidates running for office last fall and organized a mock election where students could vote for certain candidates and issues. To help pass the school district special levy was the task of the Levy committee.

Fall G.L. Officers Provide Activities For Christmas Celebration

The Fall Girls' League started the year by presenting the annual Big and Little Sister Party. It welcomed all the new girls to N.C. and helped them feel at home. Getting together with the A.S.B., Girls' League helped produce the 1st Annual John P. Rodkey Invitational Tricycle Relays Mixer. "My Heart Belongs to Daddy," this year's Dad-Daughter Dance was enjoyed by many as was the Sadie, "Dogpatch County Fair." To help celebrate Christmas the officers provided Santas for pictures during lunches, and opened the Christmas Boutique which was stocked with gift ideas made by students and clubs.

Below: Debbie Neuschwander and Paula Rasmussen have their picture taken on one of the Girls' League Santas, Manny Brown.

The Sadie Hawkins Dance, one of the Girls' Leagues biggest activities, was a success this year.

How committee members are: Gloria Hoisington, Sue Radmer, Colleen Brewer, Pam Rollins, Debbie Nelson, Debbie Chase, Shelley Hutchinson, and Cindy Goble, Chairman.

Much Accomplished By Hard Working G.L. Committees

Providing service to the school are the various Girls' League Committees. The How committee kept everyone informed on Girls' League events, and Sunshine took note of birthdays and holidays. Working especially hard this year was Lynn Marcinowski, Points chairman, making sure girls received the points they earned.

Correspondence committee members are: Pam Scott, Diana Howard, Chairman; and Patty Gowdy.

Below: Cindy Sterritt, Donna Swank, Karen Beardsley, Kathy Snyder, Lynn Marcinowski, Chairman; and Nora Plybon are Points committee members.

Spring Officers Vary G.L. Activities

The Spring Girls' League officers, elected in late January, started planning events and choosing committees even before they were installed. To celebrate Valentine's Day the officers sponsored a "Guess How Many Hearts Are In The Jar?" contest. A guess cost a penny and anyone could vote as many times as he wished. As March grew near, work was started on Cotton Week. The week consisted of such activities as a treasure hunt, a powder-puff football game, a luncheon for all N.C. girls, and the Cotton Day Dance as the climax. The Girls' League Style Show, held April 17, was a little different this year. The girls modeled clothes supplied by the Bon Marche instead of those they had made themselves. Homemade clothes did get a showing, however, as a small style show was added to the Mother-Daughter Tea held in May.

News Staff Meets Challenge

Starting the school year, the small and inexperienced News Staff was faced with many problems. For financial reasons, the failure of both the levy and a special subscription campaign threatened to put an end to the newspaper. Through A.S.B. support, the staff started once again to produce the North Central News, only to have their advisor, Mrs. McCarthy, be forced to give up advising the paper because of illness. By mid year, however, they were back on the road to recovery, with help from their new advisor, Mrs. Newett, and a lot of hard work. High quality articles and editorials on school, city, and even national and world wide events, sparked interest and controversy among students.

Key Club Busy In Social And Service Activities

Key Club is a nation-wide service oriented organization affiliated with Kiwanis. North Central's club donated much of its time working at the Sinto Senior Citizens Center. They also held their annual canned food drive for Circle Bar J Boys' Ranch, and helped out March of Dimes by selling balloons. A new project they started this year was to collect and send books and magazines to Eskimos in Alaska. Many of the Eskimos lived in areas where books or any kind of reading material were very scarce.

In late April, the Key Club members, and Key Heart, Margie Mickelson, attended the Pacific North West District Key Club Convention at the Ridpath Hotel in Spokane.

Debate Team Successful; Benefits More Than Educational

At mid season our debate team was undefeated in league competition. Led by their coach, Mr. Pelkie, they debated on the issue of whether or not public schools should be federally funded. At debates and in area and state wide tournaments such events as expository, oral interpretation, impromptu, and oratory were also entered. Though much hard work and research goes into each debate, the benefits are more than educational. Awareness of world affairs, and good speaking ability are two big rewards but the best reward is friendship. The team members feel that the respect and friendship they have developed for each other is their greatest benefit.

The debate team would like to express their gratitude to Mr. Pelkie for all the help he gave them and for making the year the success it was.

North Central's DECA is a two period course open to seniors. They kept busy this year at city-wide DECA meetings and sponsored the selling of class rings.

Their president, Marj Reel, attended a state convention in Seattle where state officers were elected.

Student Enthusiam Created By Spirit Club

Spirit Club, just started this year, was a great success. With the help of their advisor, Mrs. Olson, the club had more than fifty members by basketball season. Although the club consisted primarily of freshmen and sophomores, all girls with a grade point of 2.0 and lots of spirit and enthusiasm were encouraged to join. They patterned their club rules after those of the Red Feathers and elected officers to enforce them. Also chosen from the Spirit Club members were this year's frosh and B-squad cheerleaders.

Chess: A Challenge More Than A Game

Bobby Fisher said once that "chess is life." Though the N.C. Chess Club members aren't that fanatic about the game or as talented as their American idol, they have shown a tremendous increase of interest in chess. For many, chess has become a challenge more than a game. It is a pawn of interest in the chess-board of life.

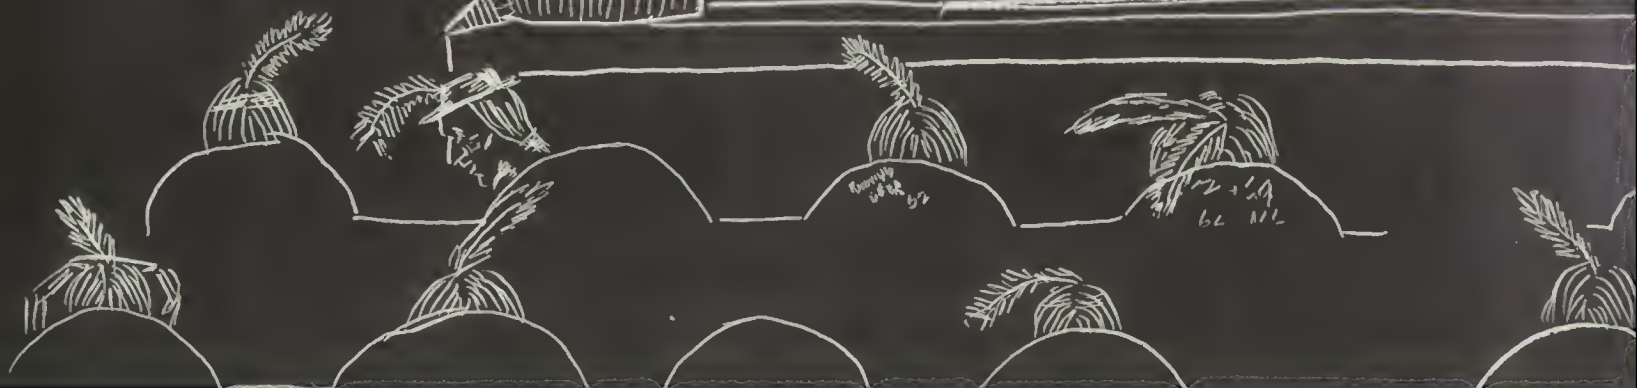

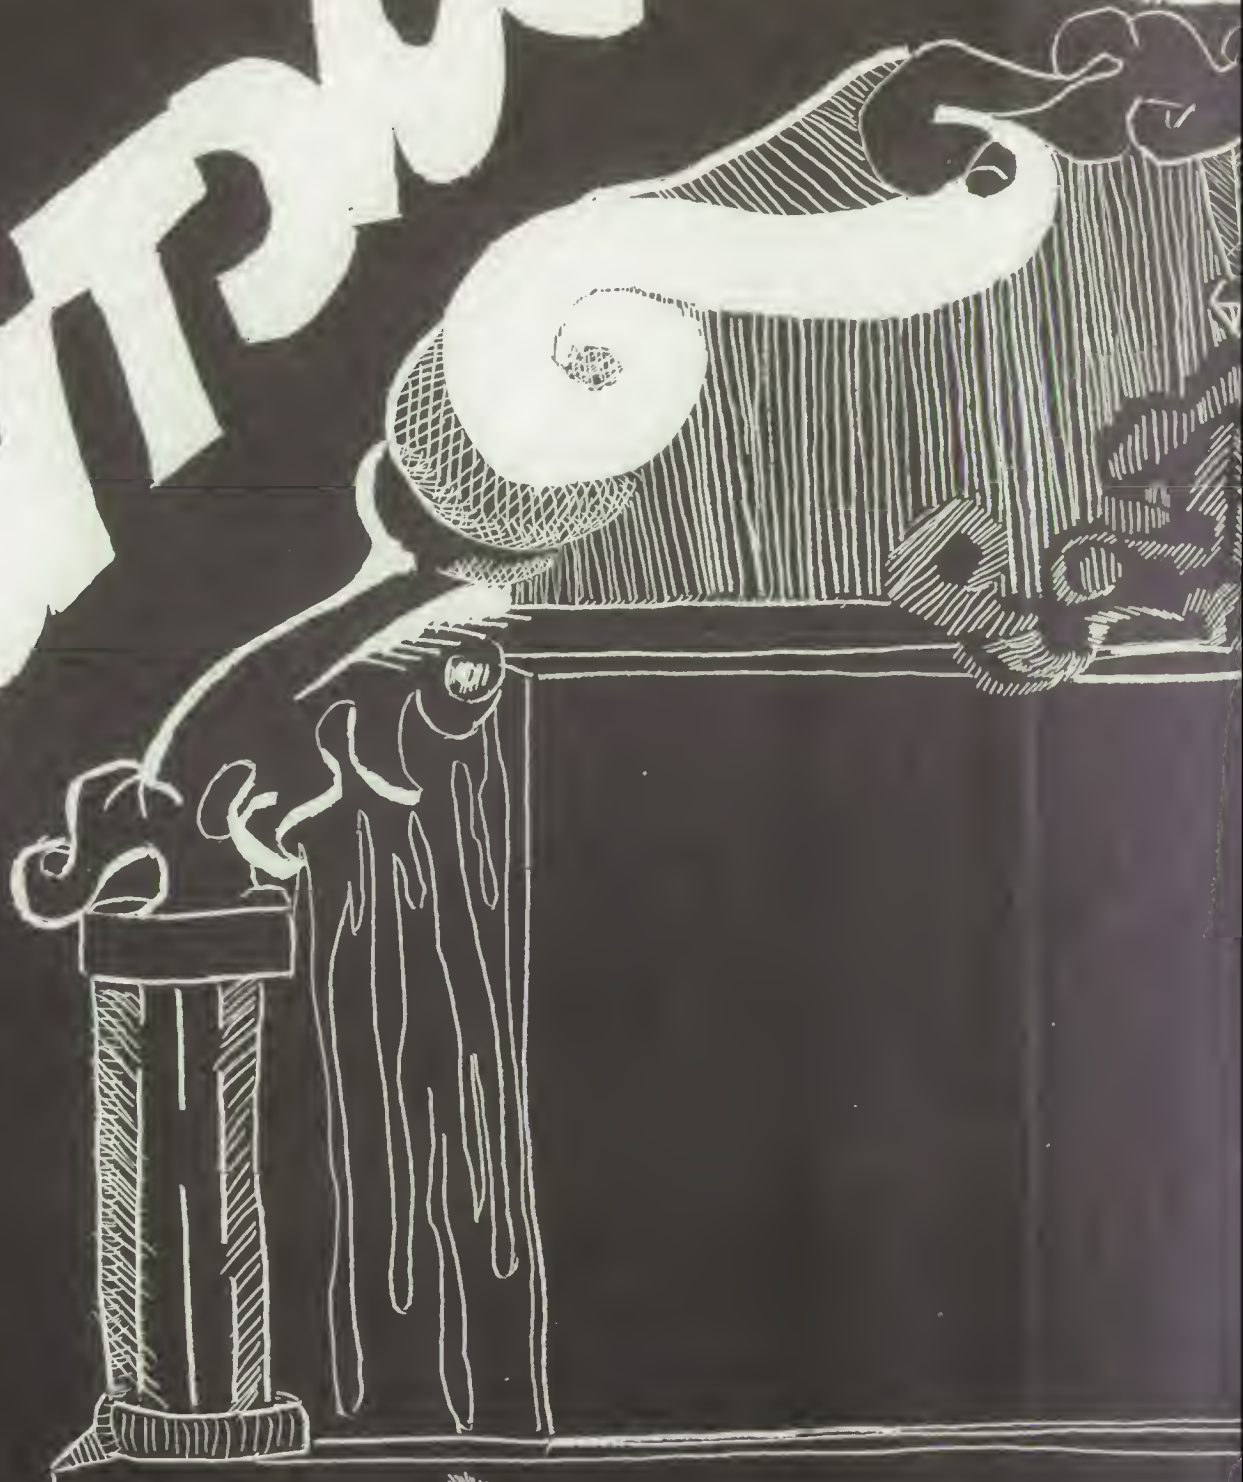

The young team is losing their only senior, Vince Hodges, so the future looks promising in their never ending quest for checkmate.

Presentation of "Rapunzel" Highlights Year For Theatre 81

"Rapunzel" was the play presented to approximately fifteen elementary schools by Theatre 81 Workshop. Preparations began second semester by memorizing lines and getting the costumes ready. All the props were made by the Art Department. Two sets of casts were chosen: "Rapunzel", Kris Youngren and Vicki Lamb; the mother "Margot," Gina Smith and Patti Simchuk. The witch was portrayed by Betty Sutherland and Teresa Iyall. The father, "Otto," was played by Stan Barrick and the prince was Jim Felch.

At right, "Round and round the stone I walk. Wizard's stone. I beg you talk!" says witch, Betty Sutherland. This play was written by Jack Melanos.

The three straight people aren't seen in the play, but are the voices of the magic stone and queen. From left to right are - Jacki Pilant, Char Ralph and Helen Scott.

When she asks to join the group at play, Sandy Pence is emphatically rejected because she is different — she has a funny nose!

At left "Didi Fee," portrayed by Teresa Iyall, shows off her black eye.

Below: Jim Felch explains to Sandy Pence that "having a funny nose" is not important, that she is appreciated because she is an individual.

"You're different, you've got a funny nose, you're different" was the repetitive theme throughout the performance of "Once Upon a Playground." This one-act play was written by Jack Franks and directed by Mrs. Lindberg. In everyday life there is always the conflict between fitting into a group and still retaining your individuality.
